

# F-W 18/ IMPERATIVE LEAP FORWARD////

You can sit back, never question anything or develop, but for us streetwear is the expression of our everyday culture. We progress through our work so now it's time to elevate beyond the standard, boring and typical.

The collection F-W 18 influenced by Asian street culture, retro-future characters, illustrated heroes and urban mayhem.

A progression with new shapes , details and fabrics.

# THE STORY SO FAR ///

# owlclothes.com

Born on the city streets among the night  
prowlers, the artists, the riders and people  
with a passionate attitude.
